HIERARCHY OF THE CATHOLIC CHURCH

The Catholic Church is a structured society. It is organized along the following lines for purposes of pastoral service and orderly government and administration.

The Pope is the supreme head of the Church. He has primacy of jurisdiction as well as honour over the entire Church and all of its members.

Bishops, in union with and in subordination to the Pope, are the successors of the Apostles for care of the Church. They serve the people of their own dioceses with ordinary authority and jurisdiction. They also share, with the Pope and each other, in common concern and effort for the general welfare of the whole Church, and in various ways act in concert with the Pope and each other in a collegiate manner.

Bishops of exceptional status are Eastern Rite patriarchs who, subject only to the Pope, are heads of the faithful belonging to their rites throughout the world.

Subject to the Holy Father and directly responsible to him for the exercise of their ministry of service to people in various jurisdictions or divisions of the Church throughout the world are: resident archbishops and metropolitans (heads of archdioceses), resident bishops (heads of dioceses), vicars and prefects apostolic (heads of vicariates apostolic and prefectures apostolic), certain abbots and prelates, apostolic administrators. Each of these, within his respective territory and according to the provisions of canon law, has ordinary jurisdiction over pastors (who are responsible for the administration of parishes),priests, religious and lay persons.

Also subject to the Holy Father are titular archbishops and bishops (who have delegated jurisdiction), religious orders and congregations of pontifical law, pontifical institutes and faculties, papal nuncios and apostolic delegates.

Assisting the Pope and acting in his name in the central government and administration of the Church are cardinals and other officials of the departments of the Roman Curia.

THE SYNOD OF BISHOPS

In virtue of a document entitled "Apostolica Sollicitudo" issued on his own initiative on September 15, 1965, Paul VI provided for the establishment of a Synod of Bishops to advise the Pope on matters pertaining to the welfare of the universal Church. This enactment founded the Synod as a juridical body having the nature of an ad hoc committee of representative bishops which the Pope can activate and call into session at any time.

* The purposes of the Synod are: "to encourage close union and valued assistance between the Sovereign Pontiff and the bishops of the entire world; to ensure that direct and real information is provided on questions and situations touching upon the internal action of the Church and its necessary activity in the world of today; to facilitate agreement on essential points of doctrine and on methods of procedure in the life of the Church."

* The Synod is a central ecclesiastical institution, perpetual by nature.

* It is directly and immediately subject to the Pope, who has authority to assign its agenda, to call it into session, and to give its members deliberative as well as advisory authority.

* In addition to a limited number of ex officio and a few religious participants, the majority of members are to be elected by and representative of national or regional episcopal conferences. The Pope reserved the right to appoint the general secretary, special secretaries, and no more than 15 per cent of the total membership.

The Synod met for the first time on September 29, 1967. After that in October 1969, 1971, and thereafter every 2 years. The last Synod was in October 1980 dealing with "The Role of the Christian family in the modern world."

THE SOUTHERN AFRICAN CATHOLIC BISHOPS' CONFERENCE (SACBC)

The Church in Southern Africa under the Apostolic Delegation consists of thirty ecclesiastical territories.

Because of the missionary nature of the work of the Church in Southern Africa, the Archdioceses, Dioceses, Vicariates and Prefectures still fall under the direction of the Sacred Congregation for the Evangelisation of the Peoples, also known as the Sacred Congregation for the Propagation of the Faith, in Rome.

The Conference is an association of the Local Ordinaries, other than Vicars General, of the Roman Catholic Church in the Republic of South Africa, Namibia, Botswana and Swaziland, their coadjutors, auxiliaries and other titular Bishops who perform special work entrusted to them by the Apostolic See, or by the Conference itself.

The Conference is primarily a consultative body and its resolutions outside the cases mentioned below have no binding force on the Ordinaries or their subjects except in-so-far as individual Ordinaries consent to support them.

In terms of paragraph 38, No. 4 of the Decreee of the Second Vatican Council on the Pastoral Office of Bishops' "Christus Dominus" decisions of the Conference are juridically binding only when prescribed by the Common Law, or specified by a special mandate of the Holy See given "Motu Proprio", or in response to a petition from the Conference, they are made in due form by a two-thirds majority of those present, and are reviewed by the said Holy See.

The Conference is empowered to set up Commissions for the fostering of special objectives and activities. Each Commission shall meet as often as is deemed necessary, but at least once a year.

The Chairmen of the Commissions shall constitute the Administrative Board of the Conference.

Since 1952, the Bishops' Conference has issued statements or pastoral letters in which guidance is given to the faithful in matters of faith and morals especially where these affect all language groups. "In racially pluralistic countries like South Africa, racial prejudice takes on a crucial prominence. It is for this reason that this Conference in Plenary Session finds it necessary to reiterate the vigorous condemnation of discrimination by the Vatican Council: 'Discrimination is to be eradicated as contrary to God's intent (1966)'".

All these letters are published in one volume and are obtainable from the General Secretariate, PO Box 941, Pretoria 0001.

A second volume contains all the Pastoral statements and important declarations made in 1966-1980. This is available at the same address.

The Conference also publishes from time to time official texts issued by the offices of Congregations or Secretariates of the Universal Church in Rome or issued by the Holy Father Himself. A person wanting to become familiar with the correct interpretation of the teaching of the Church should therefore study both the documents issued by Rome and those issued by the Bishops' Conference or an individual Bisnop. Documents published by the Bishops' Conference are contained in two series:

1. PASTORAL ACTION series

2. OCCASIONAL PAPERS series

These are obtainable from the General Secretariate SACBC in Pretoria or from the Catholic Bookshops.

The Conference publishes an Information Bulletin INTER NOS, bi-monthly. Since 1970, its fifth year of publication, its scope has widened from reporting on ecumenical news items to covering matters concerning all the pastoral activities of the Conference and its Commissions.

BISHOPS' LENTEN APPEAL

After Vatican II the Bisnops of Southern Africa have encouraged the Church on the local and national level to become increasingly self-reliant. One practical step towards this goal has been the annual appeal to all the faithful during the six weeks before Easter to contribute in a special way towards "building up the Church" in the thirty Dioceses of Southern Africa. The response has been generous and is increasing every year. The Director's report of 1981 showed a sharp increase in the collection.

The largest proportion of money received goes towards the "direct need of the poor". Other money goes towards educational projects: bursaries, teacher salaries, priestly formation, Bible translation work and distribution, catechetical formation, Ecumenical projects, etc.

Each Diocese has its own director and they meet once a year with the national director to plan the programme of the following year.

Applications from the fund are received and channelled via the Dioceses, the offices of the SACBC or the office of the Director.

National Director: Fr Noel Coughlan OMI, Box 50057, Musgrave Rd, Durban 4062. Tel: (031) 28-2732.

PONTIFICAL MISSION AID SOCIETIES (P.M.A.S.)

1. The Society for the Propagation of the Faith was founded at Lyons in 1822 by a group of lay people, among whom the central figure was Marie-Pauline Jaricot who will be beatified in 1987. With papal encouragement, it spread to the different dioceses of France, then to other European countries and later to America. Since 1928 it has been set up progressively in mission countries too, and at present it exists in 85 countries. So as to give it wider scope and a more universal character, pontifical status was granted to the Society on 3 May 1922, and its central administration was transferred to Rome. It thus became the Church's official organization for mission aid for 909 Dioceses.

Collection is taken on second last Sunday of October.

2. The Society of the Missionary Childhood was founded in 1843 by Bishop de Forbin-Janson of Nancy. From the very beginning it received the support of the Holy See, and quickly spread throughout France, to the other European countries and to America. Recently it has been set up also in several mission countries, and today it is organized in about 70 countries. Its central administration was in Paris. It was given pontifical status on 3 May 1922 and transferred to Rome in 1987.

Collection is taken on first Sunday of February.

3. It was in France as well, at Caen 1889, that Stephanie Bigard and her daughter Jeanne founded The Society of St Peter the Apostle. With the support of the Holy See, it too, spread to the majority of dioceses in Europe and America. Its central administration was transferred to Rome in 1920, and it was officially given pontifical status on 3 May 1922. It is closely linked to the Society for the Propagation of the Faith.

Collection is taken first or last Sunday of August.

4. The Pontifical Missionary Union (Unio Cleri pro Missionibus) was founded in Italy in 1916 by Fr Paolo Manna. It received papal approval from the beginning and rapidly spread to the majority of dioceses in the world. It is organized in more than 50 countries at present. It received official pontifical status on 14 April 1937. Though founded originally as an association of priests, its scope was enlarged on July 14, 1949, to take in religious Brothers and Sisters. Its central administration is in Rome.

5. Membership Sunday: Collection in May.

SOUTHERN AFRICAN COUNCIL FOR CATHOLIC SOCIAL SERVICE

The Southern African Council for Catholic Social Service exists to serve in the interests of the Catholic sponsored Social Senior organisations and institutions of Southern Africa.

Its aims include the following: to deal with matters of a national character concerning the work undertaken by its affiliates, and to serve as an advisory body on such matters to its affiliates and to the Southern African Catholic Bishops' Conference's Department for Social Welfare; to promote co-ordination and co-operation in the field of Catholic sponsored social service; to co-operate with other bodies involved in social welfare; to serve as a channel of communication between affiliates and the authorities; and to stimulate interest in social service.

The Council is subject to the Department for Social Welfare of the Bishops' Conference. Its establishment in 1970 was an attempt by the Hierarchy to bring about co-ordination within the Church's very fragmented social service network. It was evident, for instance, that there was overlapping in some areas of service while others were desperately under-supported; that there was no channel through which Church social service bodies could speak with one voice on issues affecting them, or assist the Hierarchy in planning. The Council was set up to fill the vacuum.

Since its commencement the Council has engaged in a variety of activities. These have included, inter alia, a preliminary survey of Church-sponsored social services; a survey into the need for pension and medical aid schemes for Church organisations; the publication of social service news from time to time in a newsletter called "CHANNEL" and currently in "INTER NOS"; the submission of a memorandum covering recent welfare legislation berore it became law; research into pastoral care of prisoners and their families and co-operation with NICRO in improving such care, e.g. by increased involvement of local parishes.

An important contribution ot the Council to date has been its bringing together of social service workers from all over Southern Africa for Conferences. As well as helping participants develop an understanding of new trends in social welfare and community development, and new directions in the Church. The Conferences have given those concerned exposure to the broader spectrum of Southern African social issues and problems, opportunities to learn from one another's experience, and form valuable new contacts, and the sense of being part of a broader-whole.

Recently the Council completed a Directory of Catholic Social Services in Southern Africa. The Directory is not comprehensive but over a period ot time it will become so.

At present the Council is involved in helping organisations and Dioceses undertake Community Development projects. The Council is able to supervise such activities.

The Council is also investigating the possibility of setting up a Catholic Volunteers Programme in Southern Africa.

Finally the Council is planning the establishment of an office of the SACCSS in the Transvaal.

The present Executive Committee consists of:

THE ECUMENICAL RESEARCH UNIT

The Ecumenical Research Unit, sponsored originally by the Anglican and the Catholic Churches, came into existence in 1970 to study existing Christian Organisations, the societies in which they are placed, and how best they might set about fulfilling their mission with insight and understanding.

The Unit achieves this end by using the most up-to-date methods of the human sciences, by employing highly qualified people and committees, and by collaborating with respected international organisations dealing with similar problems. It is a member of the Federation of Socio-Religious Research Institutions (FERES), the International Conference of Sociology and Religion (CISR), and the South African Missiological Society. It also works closely with research units in Nairobi and Uganda. While the methods of scholarship are used, the purpose is always pastoral.

Since its inception, the South African Council of Churches and the Federation of Evangelical Lutheran Churches of Southern Africa have become member churches of the Unit.

ARCHDIOCESE OF BLOEMFONTEIN

Suffragan Sees: Kimberley, Kroonstad, Keimoes-Upington, Bethlehem, Gaborone

PATRON: The Sacred Heart of Jesus

Originally the area of the Orange Free State was part of the Vicariate of Natal, which was established by the Holy See on 5 October 1850, extending from the Kei River in the South and to Quillemane in the North and confided to the Oblates of Mary Immaculate. Bisnop J E Allard OMI, was appointed the first Vicar Apostolic. Consecrated in Marseilles, France, on 13 July 1851.

The Zambesi Mission to the North of the Limpopo was confided to the Society of Jesus in 1879. Then in 1886 the remaining territory under Bishop C Jolivet OMI, was subdivided into the Prefecture of the Transvaal and the Vicariate of the Orange Free State, comprising the Free State, Basutoland and the Diamond Fields; on the North and on the West, the Vaal River; and on the East the Drakensberg Mountains. The new Vicar Apostolic, Bisnop Anthony Gaughren OMI, (consecrated in Tower Hill, London on 10 August 1886) would reside at Bloemfontein. Bisnop Q Devereux of Grahamstown had sent Father R Hoenderwangers, O.Praem. to visit Bloemfontein in 1850 and he took up residence there in 1852, remaining as the pioneer priest of the Free State until his return to Belgium in 1869, when his place was taken by Father Le Behan OMI, and later by Father V Bompart OMI.

When Bisnop A Gaughren arrived in November 1886 the train terminus from Cape Town was Kimberley and so he took up residence there, travelling regularly by post cart to Bloemfontein and on to Basutoland. Kimberley remained the Episcopal Residence for his successors, Bishop Matthew Gaughren OMI (1902-1914) and Bishop H J Meysing OMI (1924-1951). During the interregnum (1914-1924) Bishop C Cox OMI, of the Transvaal was Administrator Apostolic.

On 11 January 1951, by Papal Bull, Pope Pius XII established the Ecclesiastical Hierarchy in the Union of South Africa, and set up the Ecclesiastical Province of Bloemfontein.

The Archdiocese includes the civil districts: Bloemfontein, Boshof, Brandfort, Dewetsdorp, Edenburg, Fauresmith, Jacobsdal, Philippolis, Reddersburg, Smithfield, Thaba Nchu, Trompsburg, Wepener, Zastron, and portion of Ladybrand, Hoopstad and Winburg.

ARCHDIOCESE OF CAPE TOWN

Suffragan Sees: Aliwal, De Aar, Oudtshoorn, Port Elizabeth, Queenstown

PATRONS:
1. Our Lady of the Flight into Egypt.
2. St. Patrick.

From the time of the discovery of the Cape, ecclesiastical jurisdiction over it appertained to the Portuguese missionary authorities. After the settlement of the Cape in 1652, the practice of the Catholic religion was prohibited by the civil authorities.

Commissioner General De Mist, by an Ordinance of 25 July 1804, declared that "all religious societies which for the furtherance of virtue and good morals worship an Almightly Being, are to enjoy in this Colony equal protection from the laws ..." and in 1805 three Dutch priests arrived to minister to the Catholics of the Cape. One of them, Father Johannes Lansink, was appointed Prefect Apostolic. The following year the military authorities ordered them to leave.

In February, 1818, Pope Pius VII erected the Vicariate Apostolic of the Cape of Good Hope and adjacent territories. Subsequently the Island of Mauritius was added, and the first Vicar Apostolic, Right Reverend Bishop Bede Slater, O.S.B., having called at the Cape, went to reside there. He was succeeded by Rt. Reverend Bishop William Placid Morris, O.S.B., who also resided at Mauritius.

On 6 June 1837, Pope Gregory XVI constituted the Cape of Good Hope a separate Vicariate and appointed Rt. Reverend Bishop Patrick Raymund Griffith, O.P., as the first resident Vicar Apostolic.

On 24 May 1872, the Prefecture of the Central District of the Cape of Good Hope was detached from the Western Vicariate.

In 1874, the Vicariate of the Cape of Good Hope was divided into the Vicariates of the Western District of the Cape of Good Hope and the Eastern District of the Cape of Good Hope.

By decree of the Sacred Congregation of Propaganda Fide dated 13 June 1939, the name of the Western Vicariate was changed to the Vicariate of Cape Town.

On 11 January 1951, Pope Pius XII established by Papal Bull the Ecclesiastical Hierarchy in the then Union of South Africa, and set up the Ecclesiastical Province of Cape Town, comprising the Metropolitan Church of Cape Town, with the suffragan sees of Aliwal, Oudtshoorn, Port Elizabeth, Queenstown and De Aar.

By the same Papal Bull, the Most Reverend Archbishop Owen McCann was appointed to the Metropolitan See of Cape Town.

The Archdiocese has for its boundaries: on the West, the Atlantic Ocean; on the North, the southern boundaries of the Van Rhynsdorp district; on the East, the western boundaries of the Calvinia, Ceres, Tulbagh, Worcester, Robertson and Swellendam districts; on the South, the Indian Ocean. The civil districts within the ecclesiastical area comprise the following: Cape, Wynberg, Simonstown, Bellville, Somerset West, Stellenbosch, Paarl, Wellington, Caledon, Bredasdorp, Malmesbury, Piquetberg, Clanwilliam. The Islands of Tristan da Cunha, Ascension and St. Helena belonged to the Archdiocese of Cape Town until 18 August1986 when it was given to the care of the Mill Hill Fathers.

ARCHDIOCESE OF DURBAN

Suffragan Sees and Prefectures: Marianhill, Umzimkulu, Eshowe, Umtata, Kokstad, Mariannhill, Volksrust, Ingwavuma

PATRONESS: Our Lady of the Immaculate Conception.

This Territory was erected as the Vicariate of Natal on 5 October 1850, extending "from the Kei River, that is, from the boundary of the Eastern Vicariate of the Cape of Good Hope, to Quilimane that is, the Eastern extremity of Portuguese territory, and interiorly to the Tropic." It was confided to the Oblates of Mary Immaculate.

The vague delimitation of these boundaries prompted many queries on the part of the first Vicar Apostolic, Bishop Allard, who finally interpreted them as extending Northwards as far as the tropic of Capricorn and excluding Portuguese territory. On 15 March 1876 a clarification was issued to Bishop Jolivet establishing the boundaries of the Natal Vicariate as following the line of the coast from the Kei River to Quilimane, then along the 18th degree of latitude South, down the 18th degree of longitude East, and finally along the course of the Orange River and the frontier of the Cape Colony, leaving British Kaffraria in the Eastern Vicariate.

This huge territory was divided soon afterwards when the Zambesi Mission was confided to the Society of Jesus in 1879. There followed in 1886 the erection of the "Vicariate of the Orange Free State", (comprising the Free State, Basutoland and the Diamond Fields); and the Prefecture of the Transvaal. In 1921 further divisions were made with the creation of the Vicariates Apostolic of Mariannhill, Eshowe and Swaziland.

On the establishment of the Hierarchy on 11 January 1951 the Vicariate Apostolic of Natal became the Archdiocese of Durban.

In 1958 the Northern section of the Archdiocese was detached to form part of the Prefecture Apostolic of Volksrust.

The Ecclesiastical Province of Durban embraces besides the Archdiocese, the suffragan Sees of Mariannhill, Eshowe, Umtata, Kokstad, Umzimkulu, the Prefecture Apostolic of Volksrust and the Prefecture of Ingwavuma.

The Archdiocese of Durban comprises the civil districts of Camperdown, north of Umlaas River, (except the farms of Mariannhill, Klaarwater, Dassenhoek, Welbedag and portion of Stockville), Durban, Escourt, Inanda, Kranskop, Lions, River, Lower Tugela, Mapumulo, Umvoti, Weenen, Bergville and part of Msinga.

The story of any Benedictine monastery is overshadowed by the simple purpose of monasticism, the search for God. The monastic vows of obedience, stability and conversion is a daily endeavour which liberates and encourages the monk to follow Christ as a disciple. Here at Inkamana Abbey the monks live primarily a life of prayer – our work consists of pastoral assistance to the Diocese, teaching and trades such as carpentry, farming and various others.

DIOCESE OF ESHOWE
(Province of Durban)

The Prefecture of Zululand was erected on the 27 August 1921 and entrusted to the Benedictine Congregation of St Ottilien. Before that time it had formed part of Natal Vicariate. On 11 December 1923 it was raised to the status of a Vicariate under the title of "Vicariate Apostolic of Eshowe". With the establishment of the Hierarchy in South Africa it became the Diocese of Eshowe on the 11 January 1951. This Diocese now comprises Zululand proper, (with the exception of the districts of Ingwavuma, Umbombo and Hlabisa), and the four Natal districts of Vryheid, Paulpietersburg, Ngotshe and Babanango. It is therefore bounded on the East by the Indian Ocean, on the South by the Tugela River, on the West by the Tugela, Buffalo, Blood and Didusini Rivers, on the North by the Pongola and Umfolozi Rivers.

DIOCESE OF JOHANNESBURG

(Province of Pretoria)

PATRONESS:
The Immaculate Conception

The territory of the Transvaal was under the jurisdiction of the Vicar Apostolic of Natal, Mgr M F Allard, OMI, as from 5 October 1850, and as early as the year 1854. Holy Mass was celebrated at Mooi River, now called Potchefstroom, by a travelling priest. According to the law then in vogue, "no other religion but that of the Dutch Reform Church was allowed within the South African Republic", but occasional visits were made by priests from Natal and the Free State, until in 1869, Rev Le Binan, OMI, was appointed to that area. He was immediately responsible for the abolition of this law and subsequent freedom of Catholic worship.

In 1886, the Transvaal was separated from Natal and erected into an ecclesiastical Prefecture, under Rt Rev O Monginoux, OMI (1886-91), (died 28-11-1917). He was succeeded by Rt Rev A Schoch, OMI (1892-1898), who died in April 1898. The Rev John De Lacy, OMI, acted in the interim until 1902, when Bishop Matthew Gaughren, OMI, Vicar Apostolic of Kimberley, also served as Administrator of the Transvaal.

The Transvaal became a Vicariate in 1904, with Bishop W Miller, OMI, as first Vicar Apostolic. The territory has since been subdivided, first in 1910, when the northern part was confined to the care of the Benedictines; then in 1923, when the Lydenburg Prefecture was formed under the Missionaries Sons of the Sacred Heart; then in 1948 when the Pretoria Vicariate was erected, and finally in 1965 when the Prefecture of the Western Transvaal was handed over to the Oblates of Mary Immaculate of the Belgian Province.

It comprises the following civil districts: Johannesburg, Alberton, Balfour, Benoni, Boksburg, Brakpan, Delmas, Germiston, Heidelberg, Kempton Park, Krugersdorp, Nigel, Oberholzer, Randburg, Randfontein, Roodepoort, Springs, Vereeniging, Vanderbijlpark and Westonaria.

With the creation of the Ecclesiastical Hierarchy in the Union of South Africa on the 11 January 1951, the Vicariate was raised to the status of a Diocese.

Area: 14 517 sq.km. Total Pop: 3 290 145 Cath Pop: 560 000

The Diocese is bounded on the West by the Diocese of Klerksdorp; on the South by the Vaal River; on the East by the Lydenburg-Witbank Diocese and the Prefecture of Volksrust; and on the North by the Archdiocese of Pretoria.

MARONITE CHURCH

Church of Our Lady of Lebanon: 61 Mint Rd, Fordsburg, Box 42135, Fordsburg 2033. Tel: (011) 834-7128.

The Maronite Church was founded in Johannesburg in 1908.

The Maronite Church is an Oriental Church belonging to the Syriac Liturgy of Antioch ascribed to St James the Apostle. The Liturgical Language is Syriac or Aramaic, while the vernacular has always been in use.

The Vatican Council II in the decree on the Eastern Catholic Churches recommends the preservation and growth of each individual church and directs that "Those who, by reason of their office or an apostolic assignment, are in frequent communication with the Eastern Churchnhes or their faithful should, in proportion to the gravity of their task, be carefully trained to know and respect the rites, discipline, history and characteristics of Easterners.

The Pope in his "Motu Proprio" of 22 February 1949 published the section of the projected code of Oriental Canon Law which refers to marriage. The new laws abolish those previously in force and apply from 2 May 1949. They bind all persons of Oriental Rite all over the world. These marriage laws differ in many respects from Latin Rite Laws. Whenever a person of Oriental Rite comes to a Latin Rite Priest to be married, he or she remains bound by the Laws of the Oriental Rite. The children follow the rite of the father, or of the Catholic parent in a mixed marriage. This is the case even where they have been baptised by a Latin Rite priest. The fact that they have been baptised and brought up exclusively in the Latin Rite does not exempt them from the laws of their own rite. (The Clergy Review, May 1949).

DIOCESE OF LYDENBURG-WITBANK
(Province of Pretoria)

PATRONS:
1. St. Peter Claver
2. St. Therese of the Child Jesus

By Papal Decree dated 12 June 1923, the Eastern Transvaal was separated from the Transvaal Vicariate and entrusted to the "Missionaries, Sons of the Sacred Heart"(MSFC). In 1979, the MFSC reunited with the Verona Fathers (FSCJ) and are now known as the Comboni Missionaries of the Heart of Jesus (MCCJ).

The Lydenburg Prefecture was raised to the status of a vicariate on the 9 December 1948. Following the establishment of the hierarchy in South Africa, the vicariate was raised to the status of a diocese on the 11 January 1951. On the 23 June 1958, some magisterial districts on the southern boundary of the diocese were excised to be incorporated in the new Volksrust Prefecture. On the 13 September 1964, the name of the diocese changed, by papal decree, to Lydenburg-Witbank.

The diocese comprises the magisterial districts of Barberton, Belfast, kCarolina, Kamhlushwa, Lydenburg, Mapulaneng, Mhala, Middelburg, Nebo, Nelspruit, Nsikazi, Pilgrim's Rest, Sekhukhune, Waterval-Boven, White River, kWitbank, and portions of Eerstehoek and Groblersdal. Some of these districts are located in the Gazankulu, Ka Ngwane and Lebowa homelands.

(Province of Durban)

In 1882 Prior Franz Pfanner of the Reformed Cistercians (Trappists) took possession of what is now the Mariannhill Monastery, with the intention of establishing a Trappist Monastery and commencing the work of evangelisation amongst the local Africans. In 1885 he became Abbot of the new foundation which he called "Mariannhill". He resigned from office in 1893, and was succeeded by Abbots Amandus Scholzig (died in 1900) and Gerard Wolpert. Abbot Franz Pfanner died on the 24 May 1909, and about the same time Rome separated the Mariannhill Abbey from the Trappist Order. Mariannhill was then constituted as an independent Missionary Congregation with its official title: The Congregation of Missionaries of Mariannhill (C.M.M.).

In 1921 the Mariannhill Vicariate (up to then part of the Natal Vicariate) was erected, comprising of the southern part of Natal and the whole of the Transkeian territories. It was sub-divided in 1930 and again in 1935, territories which now form the Diocese of Umtata and Kokstad and part of Queenstown. In 1954 it was divided again, the territory of the Diocese of Umzimkulu being detached.

The civil districts within the ecclesiastical boundaries of the Diocese of Mariannhill comprise the following: Ixopo, Impendle, Richmond, Umzinto, Umbumbulu parts of Port Shepstone, Camperdown and Pinetown, Polela and Underberg.

IN SOUTH AFRICA

St Vincent Pallotti's Mission remains as real for us today as it was for him, in a world that has forgotten God ... "to re-awaken, enkindle, and spread among all people :

FAITH IN CHRIST,
HOPE IN HIS PROMISE,
AND LOVE 'AS HE HAS LOVED' "

and so we care for

- the sick in the Vincent Pallotti Hospital, Pinelands/C.T. which has an attached wing for senior citizens,
- chronic invalid children at St. Joseph's Home, Montana,
- the homeless children at St Mary's, George-Rosemoor,
- pre-school children in Nursery schools at George-Rosemoor, Oudtshoorn-Bridgeton, and Dysselsdorp.

We also have Sisters involved in

- district nursing and government clinics,
- Parishes, and team-work with lay-Christians,
- catechetics, youth-work, and night school.

The Provincialate is at Vincent Pallotti Hospital

DIOCESE OF OUDTSHOORN
(Province of Cape Town)

PATRONESS:
The Immaculate Heart of Mary

The Diocese of Oudtshoorn was established as the Central Prefecture by decree of the Holy See on 24th May 1872. Up to that date it had been part of the Western Vicariate. On the 13th July 1874 it was entrusted to the "Missionaries for African Missions of Lyons". The Fathers of Lyons left the Central Prefecture in 1882. The Western part of the Prefecture was then given to the Oblates of St Francis of Sales and a new Prefecture erected in 1884. The Eastern part came again under the jurisdiction of the Vicar Apostolic of the Western Vicariate as the Central Prefecture, until 1922 when it was separated from the Western Vicariate and entrusted to thePious Society of Missions, now called the Society of the Catholic Apostolate (Pallottine Fathers).

On 13th June 1939, the name: Central Prefecture was changed to Prefecture of Oudtshoorn which was raised to the Status of Vicariate on 9th December 1948. On the establishment of the Hierarchy, 11th January 1951, the Diocese of Oudtshoorn was constituted. It has for its boundaries on the West: the Eastern boundaries of the Bredasdorp, Caledon, Paarl, Malmesbury, Clanwilliam, Van Rhynsdorp and Namaqualand districts; on the North: the Southern boundaries of the Kenhardt and Prieska districts; on the East: the Western boundaries of the Britstown, Richmond, Murraysburg, Aberdeen, Jansenville (the former Western boundary of Uitenhage district) and Humansdorp districts; on the South: the Indian Ocean, the Northern boundaries of the Caledon and Bredasdorp districts. By Decree of the Holy See the districts Calvinia and Williston were separated from Oudtshoorn Diocese in 1979 and are now under pastoral care of Keimoes Diocese.

Lesotho (Basutoland until 4 October 1966) was a portion of the Natal Vicariate. It became a Prefecture on 8 May 1894, comprising the whole territory then known as Basutoland. It was constituted a Vicariate on 18 February 1909 by a Decree of Pope Pius X.

On 25 January 1961, by Papal Bull, Pope John XXIII established the ecclesiasticalHierarchy in Lesotho and raised the Diocese of Maseru to the status of a Metropolitan See, with the suffragan see of Leribe. On 30 April 1961, the Diocese of Qacha's Nek was detached from the Archdiocese of Maseru, and on 2 April 1978, the Diocese of Mohale's Hoek was also detached from the Archdiocese of Maseru, which now comprises the civil districts of Maseru and Berea.

THE HIERARCHY OF THE CATHOLIC CHURCH

ZIMBABWE

The Pope, as successor of St Peter Apostle, is the head of the Catholic Church. He has primacy of jurisdiction as well as honour over the entire Church and all of its members.

Bishops, in union with and in subordination to the Pope, serve the people of their own dioceses with ordinary authority and jurisdiction. They also share, in collegiate manner with the Pope and each other, concern and efforts for the general welfare of the whole Church.

The Zimbabwe Bishops form, as their coordinating body, the

ZIMBABWE CATHOLIC BISHOPS' CONFERENCE (ZCBC)

This conference, as distinct from the South African Catholic Bishops' Conference (SACBC), was de iure fully recognised by Official Decree of Propaganda on 1 October 1969.

From the Constitution of the ZCBC.
The conference is an association of the local Ordinaries other than Vicars General of the Roman Catholic Church in Zimbabwe, their coadjutors, auxiliaries and other titular bishops who perform a special work entrusted to them by the Apostolic See, or by the Conference itself. A local Ordinary, prevented from attending a Plenary Session, may nominate his Vicar General or any other one of his clergy to represent him with full voting powers at such meetings.

All members of the Conference have a deliberative vote.

1. The Conference is primarily a consultative body and its resolutions outside the cases mentioned below under 2 have no binding force on the Ordinaries or their subjects except insofar as individual Ordinaries consent to support them.

2. In terms of paragraph 38, No 4 of the Decree of the Second Vatican Council on the Pastoral Office of Bishops 'Christus Dominus', decisions of the Conference are juridically binding in those cases and only in those cases prescribed by the common law or specified by a special mandate of the Holy See given 'Motu Proprio', or in response to a petition from the Conference, when they are made in due form by a two thirds majority of those present and are reviewed by the said Holy See.

3. Except insofar as the Conference is empowered to pass binding resolutions as set out in 2, it shall in no way limit, prejudice or interfere with the authority or work of the Ordinaries in their own dioceses.

4. The general aim of the Conference is to provide the Ordinaires of Zimbabwe with facilities for consultation and united action in all matters of common interest to the Church in Zimbabwe.

5. The office bearers of the Conference are the President, Vice-President and Secretary/Treasurer elected by secret ballot at a Plenary Session for a term of Three years.

6. The General Secretariate is at the service of the ZCBC: it collects information, acts as liaison between the various Episcopal Commissions, and between the Bishops' Conferences of other countries. It also keeps the Archives of the Bishops' Conference.

7. Although the Apostolic Delegate appointed for the area does not belong de jure to the Conference, it is desirable that for fraternal dialogue with the whole hierarchy of the Conference he should be invited to open at least the first meeting of each Plenary Session of the Conference. Furthermore, it shall be in order for the Apostolic Delegate to be present at other meetings of the Conference, either by a special mandate of the Holy See, or by the invitation of the Conference.

Apostolic Nunciature in Zimbabwe

The Holy See and the Republic of Zimbabwe established diplomatic relations on 26 June 1980 at the level of Apostolic Nunciature on the part of the Holy See and of Embassy on the part of the Republic of Zimbabwe.

ARCHDIOCESE OF HARARE

PATRON: St Peter Claver

This Archdiocese is but a fragment of the original Zambesi Mission which was entrusted to the Fathers of the Society of Jesus by Propaganda, 7 February 1879.

In 1893 the Portuguese territory was cut off and in 1927 the erection of the Broken Hill Prefecture further reduced the vast area to about half. The erection of the Independent Mission of Bulawayo (now Diocese) in 1930, reduced the area to 280,912 square km. In 1946, ten civil districts and part of an eleventh became the Prefecture of Fort Victoria (now Diocese of Gweru) and were confided to the Bethlehem Fathers.

In 1953 the districts of Makoni, Inyanga and Umtali (with Melsetter and Chipinga from Fort Victoria Vicariate), were formed into the Umtali Prefecture (now Mutare Diocese), Selukwe, Gwelo and Que Que were transferred to the Fort Victoria Vicariate; and Sebungwe became part of the Wankie Prefecture (now Hwange Diocese).

In 1974 the districts of Darwin, Lomagundi, Sipolilo, Urungwe and that part of Kariba east of the Umniati River were formed into the Chinhoya Prefecture. This further reduced the area by 54,345 sq.km.

The Archdiocese now comprises the civil districts of Mazowe, Bindura, Samva, Murewa, Rushinga (South of the Mazowe River), Mudzi, Mutoko, Kadoma, Chegutu, Harare, Gororomonzi, Seke, Marondera, Charter, Wedza and Buhera.

Area: 63,555 sq.km. Est. Pop: 2,787,703 Cath. Pop: 227,748

1. Our Lady of Africa
2. St Theresa of the Child Jesus

The Diocese of Lilongwe comprises the Civil Districts of Mchinji, Salima, Lilongwe, Dowa, Nkhota-kota and part of Kasungu District of Central Malawi. It is confided to the care of the White Fathers and the Carmelite Fathers.

The Diocese is bounded on the North by the Dwangwa River; on the East by Lake Malawi; on the South by the Diamphwe River; on the West by the political limits of the Zambian and Portuguese Territories.

The Vicariate Apostolic of Nyasa was erected on 12 February 1897. It then comprised the whole of Malawi and part of Zambia. Since then it has been divided into several Vicariates. In 1903, the Montfort Fathers were given the Southern region of Malawi and the Ncheu District of the Central Region. The year 1913 saw the erection of the Bangweolo Vicariate in then N. Rhodesia. In 1933, the new Lwanga Vicariate took over temporarily the northern part of Malawi. In 1947, the Northern Region was detached and came under the jurisdiction of the North Nyasa Prefecture. In 1951, the name of the Nyasa Vicariate was changed to that of Likuni. In 1956, the District of Dedza was detached to form with Ncheu District (Zomba Vicariate), the Vicariate Apostolic of Dedza, being entrusted to the African Clergy. By a decree of the Congregation De Propaganda Fide, dated 20 June 1958, the name of Vicariate Apostolic of Likuni was changed to that of Lilongwe.

When the Hierarchy was established in Malawi on 25 April 1959, the Vicariate became the Diocese of Lilongwe.

The White Fathers arrived in Malawi in 1889, but had to withdraw after 18 months. They resumed work in 1902 and the first baptisms were administered in 1907.
